***“It was an amazing trip. Thank you so much for taking care of us. We are still talking about it...
This trip was a dream come true for me.”***

Mike C. – Tuscany

***“Not a day goes by that I don’t think about our trip. I have no idea how your energy never
seemed to fail you and your attention to each and everyone of us was as if we were a part of
your family. Thank you again for a memorable, life changing experience.”***

Chris Z. – Normandy

Exploring Tuscany

(7 days - 6 nights)

Our country Villa is set in the rolling hills of the Chianti region!

This years Italy adventure will again find us at our favorite Villa near Greve, Italy located in the heart of Tuscany South, of Florence and North of Siena.

Our Villa is perfectly situated to explore the enchanting medieval hilltop villages throughout the region.

Upon your arrival, and after settling in, a local chef will prepare a traditional welcome dinner for us as we begin our week together.

The days ahead will find us gathering at our favorite Cafes to enjoy the foods of the region.

None of our tour days can be described as “typical” from a day of cooking classes to strolling outdoor markets and easy walking tours of hilltop villages .

From our 2018 tour on a balcony in Siena overlooking the “Palio”

Each day, our driver and a local guide will carry us to our unique destinations.
This year we will again enjoy a day in Siena - one of our favorite stops.
Daily itineraries are made available to our travelers once final arrangements are confirmed
with our providers.

The Romance of Provence - (7 days - 6 nights)

**Our 17th Century
Chateau -
For Provence 2023**

We will once again venture to Provence, where we have secured a fabulous 17th Century Chateau complete with winery and olive oil production.

The Chateau sits in the beautiful Luberon of Southern France and provides a breathtaking introduction to this romantic region.

While taking in the landscapes of Provence, our local guides will familiarize you with the customs and history of the region visiting some of the Luberon's medieval villages, churches and more.

Much like our Italy tours we will visit outdoor markets, including the best known antique market in the region and Provençes largest market that dates back some 900 years!

A cooking class is a tradition for our groups and is guaranteed to be a memorable part of your trip - truly an immersive experience.

We hope to travel with you this Fall - See below for details.
